*The Boxley Way.*

## **Outdoor Living...Simplified**

*The Product You Want. When You Need It.*

At Boxley, we believe that creating your outdoor living space should be fun and hassle-free. That's why we created the Boxley Hardscapes Design Guide. We like to call it Outdoor Living...Simplified.

We provide a streamlined selection of quality pavers, retaining walls and accessories in complementary styles and colors that are ready and available when you need them. Just give us a call with your order. Most items are in stock and ready to deliver. It's the Boxley Way.

## **We Stand Behind Our Quality Hardscape Products.**

Outstanding quality and service are the hallmark of Boxley hardscape products. In the rare instance a hardscape product produced by Boxley and used in residential application is determined by Boxley to be defective, Boxley will replace the product free-of-charge to the original purchaser. Our assurance of product quality is applicable where products have been correctly installed to meet the manufacturer's specifications and proper applications and have not been altered or modified in any manner. Color variance and the appearance of efflorescence do not constitute a warranty claim. Any defective products will be replaced; however, replacement labor and transportation costs are not included in this warranty. All warranty claims must be made prior to the removal or disposal of the defective product. If a replacement product is not available, Boxley may in lieu of replacement, refund the purchase price for the defective product. This warranty is nontransferable, and proof of purchase is required.

# *Newline Pavers*

## **MOVING THE INDOORS OUTSIDE**

Lay a foundation that not only improves the value and aesthetic appeal of your home, but one that invites you and your family to enjoy the great outdoors. With classic shapes, bold colors and distinctive textures, Newline's premium pavers can transform your outdoor living space and set the stage for backyard parties, cookouts or just plain relaxing... for years to come.

# Paver Finishes

Different tastes mean different needs in selecting your hardscape products. We help make the process easier by providing our pavers with a variety of face finish options. Whether it's smooth, textured, beveled or antiqued, we have the look you need.

## Classic Cobble

With rounded "pillowed" edges, the traditional finish provides a soft, padded appearance to the paver.

## English Cobble

Provides a time-worn, weathered effect to the look of the paver.

## Slate

This specialty finish gives the patio tile a texture similar to Pennsylvania Bluestone or slate.

SPECIAL ORDER

# Terrace Stone™

Terrace Stone™ is a slate-faced, three-piece slab system, designed to be laid either as a standard paver, or as a permeable pavement system. Each pallet contains three sizes, allowing you to lay a variety of random patterns.

Coastal Tan

Fieldstone

Granite

Mesquite

Mountain Ridge

Palmetto

9 1/2 x 14 1/4

4 3/4 x 9 1/2

9 1/2 x 9 1/2

# York Tile™

York Tile™ is a slate-faced slab product designed for those looking for a larger, more dramatic appearance than a standard paver. This is one of our premier products, with a vintage slate texture. Each pallet contains three sizes, allowing you to lay a variety of random patterns.

*Not recommended for vehicular use.*

# Classic Cobble™

Our most popular paver, Classic Cobble™ in 6 x 6 and 6 x 9, provides incredible ease of use and flexibility of design. With soft, rounded corners and a domed “pillow top” surface, Classic Cobble™ delivers an Old World feel. The two sizes are sold separately, but often are used together in a variety of patterns.

Coastal Tan

Fieldstone

Granite

Mesquite

Palmetto

6x6

6x9

# Classic Cobble™ <sup>4</sup> pce

Classic Cobble™ 4-piece system provides the ability to lay pavers in a totally random pattern with all of the different sizes in one pallet. The larger scale and random look gives the installation a bold, natural stone effect.

Coastal Tan

Fieldstone

Granite

Mesquite

Palmetto

SPECIAL ORDER

# English Cobble™

While the shapes and sizes are similar to Classic Cobble™, the English Cobble™ unit has a tumbled finish that resembles old cobbles that have been weathered for years. Its antiqued surface and edges lend a soft look and a feel of timeless sophistication to any project.

Riverbed Beige

6x9

SPECIAL ORDER

# English Cobble™ 4 pce

Our English Cobble™ 4-piece gives you the ability to lay pavers in a totally random pattern with all of the different sizes in one pallet. With a myriad of design options, this system can provide a wide variety of appearances. The soft, weathered feel of this unique product works well on walkways, pool decks and even driveways.

SPECIAL ORDER

# Carriage Stone™

A 4-piece paver system means more ways to show your creativity. With Carriage Stone™ pavers, you can design a totally random pattern with all of the different sizes on one pallet. This product, only available in a tumbled finish with a dimpled surface, will add warmth, style and ambiance to any outdoor environment.

SPECIAL ORDER

# *Alleyway Cobble™*

Alleyway Cobble™ provides the appearance of an old granite paver that has been in the ground for centuries. This 4-piece system is crafted with a natural stone-cleft finish and rounded edge. It can be used as a standard paver or permeable interlocking concrete pavement (PICP), depending on how you install it.

Coastal Tan

Granite

SPECIAL ORDER

# *Aqua-Flo™*

A traditional permeable paver unit, Aqua-Flo™ features a 5" x 10" profile. This simple rectangular paver can be used in a multitude of patterns such as running bond, basketweave, herringbone or even stack bond.

Coastal Tan

Granite

4 3/4 x 9 1/2

SPECIAL ORDER

# *Enviro-Flo™*

Enviro-Flo™ is a traditional-looking permeable paver that is both visually attractive and pedestrian friendly. This system is designed to meet or exceed current stormwater management requirements. Its rectangular shape and structurally-sound herringbone pattern make it suitable for vehicular applications.

6x9

Coastal Tan

Granite

# Turfblock

Turfblock is a thick, rectangular slab with open grids that allow water to permeate through the system. Turfblock can be used for overflow parking, fire lanes, erosion control and parking lots where permeable paving is required. The open voids can be filled with drainage aggregate for maximum infiltration or soil to allow greenery to grow.

Gray

SPECIAL ORDER

# Overlay Collection™

Give your existing patio or pool deck new life with our Overlay Collection™ paver tiles. These durable, thin “resurface” paver tiles can transform your poolscape, walkway or front porch with beauty and ease of installation. They’re great for remodeling cracked or worn concrete (or to provide a crisp new look over standard concrete) and last for generations.

6x6

6x9

Coping Standard

Before

After

Coastal Tan

Fieldstone

Palmetto

# Coping Stone™

Our CopingStone™ unit provides a smooth, soft roll to the edge of your patio or step application. CopingStone™ can be used for applications such as swimming pools, step treads, deck overhangs and wall caps.

Mountain Ridge

# StoneLedge™ 6in

StoneLedge™ is a double-sided, multi-sized, tapered unit system that provides the hand-finished look of quarried stone. It is ideal to construct retaining or freestanding walls, stairs, planters and terraced patios. No special equipment is required for installation and one person can comfortably handle these lightweight units.
