## SINGLE-UNIT SYSTEM

# MiraStone™

The MiraStone retaining wall system's slim 6" (15 cm) high Random Face profile gives outdoor spaces a blend of delicate features with a boldly scored appearance. The block's weathered aesthetic elements offer residential projects a textured, aged stone look and can easily be installed by pros and DIYers.

Each MiraStone retaining wall block offers a multi-piece look, helping the blocks serve as a stand-out feature or the finishing touch to property enhancements.

## MULTI-UNIT SYSTEM

# StoneLedge™

The lightweight 6" (15 cm) tapered aesthetic of StoneLedge's double-sided, multi-sized block retaining wall system can reignite and completely transform any outdoor space. StoneLedge offers outstanding flexibility and endless creative features to residential scenery, from curves to fire pits and pillars.

With an incredible appearance of hand-finished quarried stone, the textured and inviting character of StoneLedge can reshape your backyard for year-round enjoyment.
